

ADD A TOUCH OF DELIGHT TO YOUR PRESENTS THIS CHRISTMAS

We want to stay on your nice list this holiday season, so we've created Christmas gift tags to add to your presents.

Print this page out double sided (flip on short edge), tick "fit to paper", and cut out along the dotted lines. We recommend printing on thicker paper to make your tags more solid. Grab a ribbon or string for the rectangle tags or some sticky tape for the circle ones and attach to your gifts!

Our bread isn't the only thing that's sleigh-in it this Christmas...
