

GEM CONE TREES

WHAT YOU'LL NEED:

Coloured square pieces of paper, stapler, sticky tape, assorted gemstones and PVA.

HOW TO MAKE YOUR OWN:

1. Roll your piece of paper into a cone and staple to secure
2. Trim any overhang on the base and sides with scissors and secure with sticky tape
3. Using a brush or your finger, apply a small amount of PVA onto the cone and stick a gemstone on
4. Repeat this step to create a decorative pattern over the cone with various shaped and coloured gemstones
